**SUBJECT:**

DOCKET NO. 2005-284-C – Horry Telephone Cooperative, Incorporated - Application for Approval to Make Changes to Directory Format – Return Date has Expired with No Intervention. The Office of Regulatory Staff does not Oppose this Matter. Discuss with the Commission Horry Telephone Cooperative, Incorporated's Application for Approval to Make Changes to Directory Format.

**COMMISSION ACTION:**

Mr. Chairman, Horry Telephone Cooperative desires to reduce the font size from 9.5 points to 7 points in its white-pages directory which will permit the addition of a fourth column. Horry proposes these changes in an effort to keep its directory at a manageable size and weight and result in a cost savings of \$13,500. These are laudable goals. The Office of Regulatory Staff has investigated this matter and determined it will not adversely affect the public interest. I have concerns about the readability and usefulness of directories as the font size is reduced and more columns added, and I can not vote on this matter without seeing a copy of a page having the proposed changes. Therefore, I move that the Commission order the company to provide a copy of an existing directory page and a sample of a proposed page for its review, and that the Commission delay voting on this matter until the Commissioners have received and reviewed these copies.
